my goal was to graduate, but more importantly
to grow in my relationship with
God and be able to spread God's word"*

GOD IS AT WORK IN ORLANDO

In 2003, Pastor Juan Carlos Amesty challenged his congregation at Missionary Church of God in Orlando, FL to establish a Christian University whose students would “go out in all walks of life to impact this world for God.” Soon after, Central Christian University became a reality.

Through those founding years, students and faculty were inspired to influence the world with the message of Jesus Christ in their chosen area of study.

By 2008, the school had impacted many countries in Latin America with the Gospel of Jesus, adding programs and garnering recognition. CCU pioneered in establishing an educational institution in countries no Christian institution had done so, launching CCU in La Paz, Bolivia, and Port au Prince, Haiti.

“Emerging in one of America’s most growing city, a university is rising to do all they can to help prepare leaders and laypeople to reach their communities for Christ.

The president and faculty trust the Lord for his daily provision. The students are being challenged to share the Gospel with others and the sense of excitement and mission is palpable.

I have no doubt that God will use this university mightily in the days to come.

Pray for, believe in, and support this vision that believes God for provision and great things daily.”

YOUR CHILDREN WILL SEE GOD'S GLORY AS YOU JOIN HIM AT WORK

Billy Graham says, "The greatest legacy one can pass on to one's children and a grandchild is not money or other material things accumulated in one's life, but rather a legacy of character and faith." There is no better way for your children and grandchildren to see the glory of God than to see him at work in and through you. As you join God in His work, your family and friends get a front row seat, and God is glorified.

CENTRAL CHRISTIAN UNIVERSITY

Central Christian University's recent success comes from its humble beginnings over a decade ago. It began as a small Christian university of fifty eight students and five professors.

Our goal was, has been, and will always be to make available the knowledge and wisdom of God through excellent education for pastors, leaders and professionals to not only become more effective in ministry but also teach and train others in the grace and knowledge acquired in these studies. With currently 27 campuses worldwide, we continue to pioneer, committing to this God-given mandate of impacting this world with the message of good news of Jesus Christ, educating and changing mentalities.

Join us as we seek to be a part of what He is doing, through Central Christian University, where we are training students to have The Mind of a Scholar, The Heart of a Shepherd, and The Perseverance of a Solider.

You too can be part of what the Lord is doing!
